ECHO REPEATER SYSTEM

SIRWRR1
ECHO ANTENNA

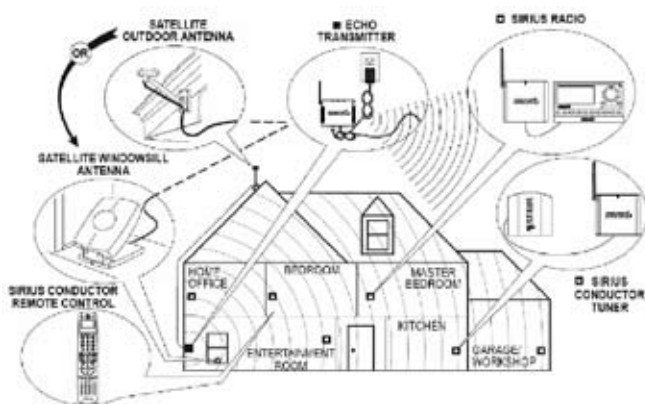

SIRIUS Echo Signal Repeater System

- ▶ Enjoy SIRIUS radio throughout your home without the need to run antenna wires
- ▶ Makes it easier to position and install your satellite antenna for best reception without restricting where you place your SIRIUS radio
- ▶ Echo Transmitter wirelessly sends the SIRIUS satellite signal through the walls and floors of your home or office, up to 75' of range
- ▶ Place your SIRIUS radio in a different room from your satellite antenna without need to run wires
- ▶ The Echo Transmitter connects to any SIRIUS home antenna or home signal distribution kit
- ▶ The Echo Antenna connects to any SIRIUS radio
- ▶ Operate multiple SIRIUS radios with purchase of additional Echo Antennas
